

Our Profile

GMS is a Media/PR Strategist.

GMS emerged in 1994 as the exclusive **image** management entity for Prophetess SB Barber Stalling, host/producer of *TGR Live! Newsmagazine Show*, founder/publisher of *The Gospel Registry News Magazine* (TGR), founder/CEO of GRACE Media Network (GMN), and owner of SBPRecruiters - management search firm.

Led by God-inspired **instinct**, GMS further evolved to fulfill a communications need between the media, marketplace and Gospel ministry/Faith-based sectors.
